I am an enrolled Piscataway Conoy citizen. I fully stand against this land transfer to Mr. Gray. He has not asked the input about this property from the tribal community, does not represent our tribal community nor does the tribal community want anything to do with him. Please do not give Mr. Gray and land for our tribal community. Please allow our lawsuit to finish, then provide the donation to Chief Swann. Please also assure our community that there are no ecological disasters at this site or Charles County will remediate. Please see attached my signed letter.
