I am life long resident , Realtor of 24 years in a small business owner in the town of La Plata for almost 8 years. I strongly oppose this increase. This tax is a direct result of county leadership misappropriating funds from the taxpayer. I also believe that this is wealth draining and stealing from the residence of Charles County. I strongly urge our county commissioners to oppose this increase and go back and find other ways to cut spending and balance our budget. I urge The County commissioners to seek out the developers that are coming into our community versus penalizing the hard-working taxpayers of Charles County!
