Tar and gravel on Gilroy road in Nanjemoy, MD. I was born and raised on Gilroy rd., and have seen this crap road repair for years. I think they put less gravel than in the past so the tar and gravel coated the tires on my truck and anyone else that drove on the road on 6/26/25. It took several miles of driving and hearing gravel fling all over my truck. This was very disheartening as I keep my vehicle meticulously clean. They also replaced a culvert pipe and the paving job over the pipe definitely doesn't match the elevation of the existing road. (a huge bump when driving over it)
