

# EARTH DAY CELEBRATION AND POCKET PARK RIBBON CUTTING

April 25, 2026  
10:00 AM

## Elite Gymnastics and Recreation Center

Come join us to celebrate the completion of the Elite Gymnastics and Recreation Center Pocket Park Project and to jump start spring planting at home! The rear parking lot has been converted to open space with native trees, shrubs, and grass to function as a natural play area with quiet seating.

The new park:

- Provides cooling shade
- Absorbs stormwater runoff
- Helps filter the air
- Creates wildlife habitat
- Provides a sense of place
